Lahore, Pakistan

## SKILLS

C#

C++

SQL

PowerBI

### Software Development

Web Services

Python

OS

React

Web Development

HTML

CSS

Bootstrap

## PROJECTS

### Little Lemon Website

2023 - 2024 Lahore, Pakistan

Developed a responsive website for 'Little Lemon,' a fictional restaurant, as my capstone project for the Meta Front-End Developer certificate. I implemented an online ordering system using React and integrated a user-friendly reservation form. The project allowed me to solidify my understanding of responsive design and clean coding practices.

- I gained practical knowledge of web development.
